

# **Adaptive Release Advanced for Assignments**

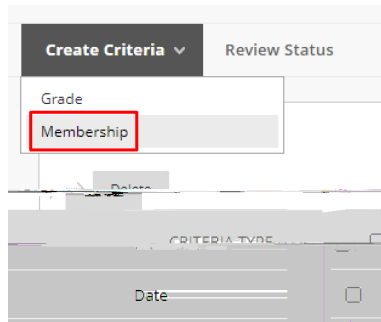

Adaptive Release: Advanced allows you to choose for an assignment to be released to

4. Type the rule in the name box and click Submit.

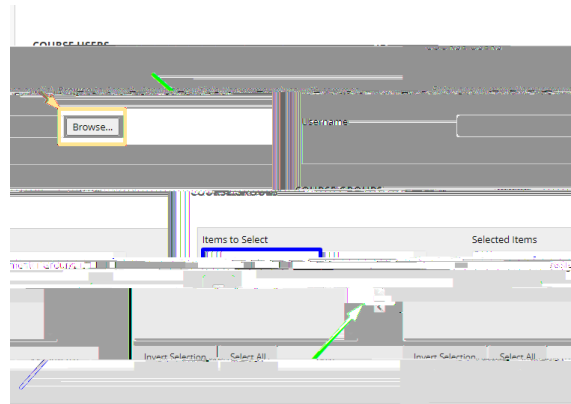

5. Click Create Criteria and choose Date

6. Set the dates for the assignment to be visible to the student and click Submit.

7. Click Create Criteria and choose Membership

8. Click Browse to find the student or click on the group and press the right arrow in the middle.

9. Check the box next to at least one student and click Submit.

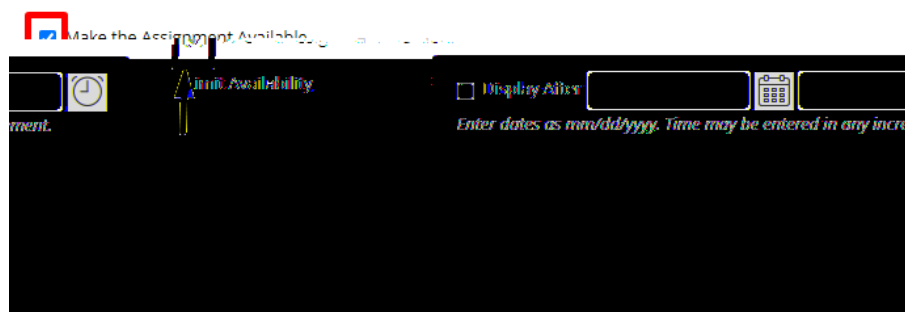

10. Check that the student appeared and click Submit.

11. Check that the date and membership information is correct

12. Go back to the assignment and click the down arrow to the right and choose Edit.

13. Make sure that the assignment is available and DO NOT select display after and/or display until as it may cause a conflict with the adaptive release.
