need to be included in a research continuity plan. The Research Continuity Plan Amendment form and the Workplace Safety Plan form can be found on the research website at www.ufv.ca/research. Research Continuity Plan and Amendment forms now requires a signature from your Dean for space purposes.

There are five COVID related funded research projects currently in progress at UFV. It was suggested that RAC

3. INFORMATION ITEMS

3.1 Research Office Report (attached) – JerriLynne Cameron

- The President's Office has organized an EDI task force to undertake an evaluation of EDI at UFV. The taskforce has outlined goals and created working groups to identify gaps at UFV in order to address EDI policy.
- The EDI task force involves institution wide participation. The working plans are scheduled to be made public this fall, but might have to be delayed due to COVID
- [Canadian Graduate Scholarships](#)

publications and online media. Whether it's a sentence summary, short brief, bulleted list, tip, link, photo, quote, anecdote all formats welcome!

We want to hear about the latest findings of your research, current students who are doing amazing things, how you're bringing research into the classroom, upcoming events and speaking engagements, major grants and awards, new research partnerships, publications, disseminations... anything that is , , , , or

Please feel free to contact Satwinder, Lenore or Garry with for future RAC meetings.

5. ADJOURNMENT 2:40 pm

5.1 Next meeting: November 1, 2020, 1:30 pm, BlueJeans.
