- One will be a showcase of all the centres, labs and institutes for UFV faculty, staff, students and senior administrators. There will be poster displays for each area, and either the director, senior student or faculty associate will be on site to answer questions. This will take place the second or third week in September of 2022.
- The second event(s) will be held at a later date with lab tours if applicable, for donors and external stakeholders.
