The University of the Fraser Valley (UFV) is committed to promoting a safe and secure community within a supportive and accessible living, learning, and working environment. The purpose of this policy is to guide the coordination of efforts by the University in the process of identifying, investigating, evaluating, and managing threats to any member of the UFV community or any UFV property.

The policy applies to the behaviour of members of the UFV community, visitors to UFV campuses, and attendees at off-campus UFV-sponsored events, as well as behaviour directed toward UFV property and/or members of the UFV community in relation to their role with UFV by members of the general public.

Any statement or conduct that may cause a person to believe their own or another person's personal safety is at risk or that property is at risk of damage, destruction, or loss.

: A university group tasked with leading all investigations related to abusive, threatening, or violent behavior with the purpose of recommending case management strategies to provide for the safety and security of the UFV Community and UFV Property.

: Any individual engaged in any UFV activity, including but not limited to employees, contractors, applicants, students, and alumni.

Includes all UFV premises, whether rented or owned, and any off-campus sites related to a UFV activity.

Any individual on any UFV campus who is not a member of the UFV Community.
